

**PRODUCT NAME:**

**PYRAMID HEATER STAINLESS STEEL**

**PRODUCT CODE/S:**

**RCPYRAMID**

**OVERVIEW**

THE STAINLESS STEEL PYRAMID PATIO HEATER COMBINES SLEEK DESIGN WITH POWERFUL HEATING PERFORMANCE. FEATURING A TALL PYRAMID SHAPE AND AN EYE-CATCHING VISIBLE FLAME WITHIN A QUARTZ GLASS TUBE, THIS HEATER NOT ONLY PROVIDES WARMTH BUT ALSO CREATES A COZY, AMBIENT ATMOSPHERE. CONSTRUCTED WITH DURABLE STAINLESS STEEL FOR WEATHER RESISTANCE AND LONGEVITY, IT'S PERFECT FOR EXTENDING OUTDOOR ENTERTAINING INTO COOLER EVENINGS.

**DETAILS:**
**Key Features:**

- **Elegant pyramid design with real flame effect**
- Weather-resistant stainless steel body**
- Quartz glass tube for flame containment**
- Piezo ignition system for easy start-up**
- Safety auto shut-off tilt valve**
- Variable heat control for temperature adjustment**

**Technical Specifications:**

- Material: Stainless steel**
- Fuel: Propane or Butane gas (LPG)**
- Heat Output: Approx. 13 kW**
- Ignition: Piezo ignition**
- Height: Typically around 2.2 – 2.3 m (varies by model)**
- Safety Features: Tilt switch auto shut-off, flame screen guard**
- Mobility: Integrated wheels for transport**

**Ideal For:**

- Patios and gardens**
- Outdoor restaurants, cafés, and pubs**
- Events and parties**
- Commercial hospitality use**

**STANDARDS**
