

PRODUCT NAME:

AUTO-RELEASE RATCHET

PRODUCT CODE/S:

TL435 25MM X 3M X 800 KG 1 PACK

KEY FEATURES:

The Auto-Release Ratchet Tie Down (TL435) is built for strength and convenience, featuring a 25mm x 3m strap with an impressive 800 kg capacity. Designed with an automatic release mechanism, it allows for quick and easy unloading without the hassle of manually disengaging the ratchet. Its durable construction ensures reliable tension and load security, making it ideal for transporting heavy or bulky items. Supplied in a handy single pack, this ratchet tie down offers both safety and efficiency for everyday hauling tasks.

LOAD CAPACITY 800KG

DETAILS:

FAST ACTION RELEASE

Fast Action Release
Designed for quick and effortless use, allowing you to secure or release cargo in seconds with minimal effort.

ONE TOUCH OPERATION

One Touch Operation
Simple one-handed mechanism that makes tightening and releasing the strap easy, saving time and reducing strain during loading and unloading.

SYSTEM RETRACTS STRAPS

System Retracts Strap
Built-in retracting system neatly pulls back the strap after use, preventing tangles and keeping the tie-down organized for the next job.

How to Use the Auto-Release Ratchet Tie Down (TL435):

Choose an Anchor Point: Select a secure and stable anchor point on your vehicle or trailer where the hook will be attached.

Position the Strap: Wrap the 25mm strap around or through your cargo, ensuring it sits flat without any twists.

Attach the Hook: Fix the hook firmly to the chosen anchor point so it will hold steady under tension.

Tighten with the Ratchet: Feed the strap into the ratchet mechanism and pump the handle to take up slack. Continue until the strap is tight and your load is secure.

Lock the Ratchet: The ratchet automatically locks in place to hold the desired tension, preventing movement during transport.

Fast Action Release: When unloading, simply use the auto-release mechanism for a quick one-touch release of the strap.

System Retracts Strap: After release, the built-in retracting system neatly pulls the strap back, reducing tangles and keeping the tie-down organized.
