

PRODUCT NAME:

4" FLAT WIRE BRUSH

PRODUCT CODE/S:

WB100: 4" FLAT WIRE

KEY FEATURES:

Suitable For a Variety Of Surfaces: The wire wheel brush set removes rust, paint, dust and burrs from surfaces such as metals and wood, and can also be used to level weld spatter.

Rough Treatment For The Surface: Wire grinder brush for drill can be used for surface adhesion treatment before painting, spray coating and electroplating. It can also be used for surface paint peeling and grinding.

The Rotary wire wheel can withstand the high speed of the 4500RMP and the robust 1/4 inch Arbor to avoid the risk of breakage. Long-term use of the wheel brush will not be asymmetrical and distorted.

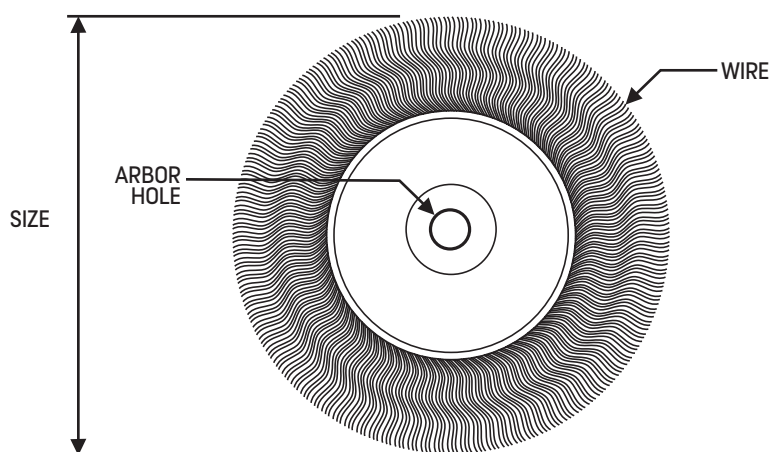

The metal wire of the drill brush uses 0.012 Inch carbon steel crimped wire and excellent fixing, the wire will not be lost and bent during the intense use.

MATERIAL:

Steel

SIZE CHART

CODE	SIZE	ARBOR HOLE	WIRE SIZE
