

PRODUCT NAME:

200 METRES POLYPROP BLUE ROPE

PRODUCT CODE/S:

BC60	6MM-200M POLYPROP BLUE ROPE
BC80	8MM-200M POLYPROP BLUE ROPE
BC100	10MM-200M POLYPROP BLUE ROPE
BC120	12MM-200M POLYPROP BLUE ROPE
BC140	14MM-200M POLYPROP BLUE ROPE
BC160	16MM-200M POLYPROP BLUE ROPE
BC180	18MM-200M POLYPROP BLUE ROPE
BC200	20MM-200M POLY BLUE ROPE

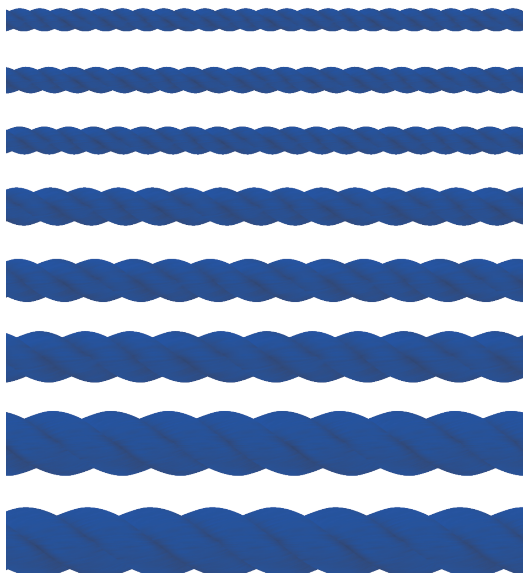

KEY FEATURES:

- Rope fibers are engineered from durable composite polypropylene for maximum environmental resistance.
- Polypropylene cord is high strength, lightweight, floats in water and can be stored wet without damage to the fibers.
- Engineered with superior resistance to marine growth, acids, oil, grease and most chemicals.
- Poly rope offers improved drag and reduced slippage compared to other polypropylene fiber ropes. It's extra flexible with low stretch capacity and superior knot retention.

DETAILS:

TOTAL LENGTH

200M

ROPE DIAMETER (mm)

BREAKING STRENGTH (KGF)

6MM	578KGF
8MM	1009KGF
10MM	1500KGF
12MM	2130KGF
14MM	3905KGF
16MM	4900KGF
18MM	5500KGF
20MM	7520KGF
