

PRODUCT NAME:

50 METERS X 1 METRE BARRIER FENCING ORANG

PRODUCT CODE/S:

JS5017

KEY FEATURES:

Outdoor Temporary Fencing is perfect for short term barricades for events, construction zones, and animals. The bright orange color of our 4ft (1.22m) lightweight plastic mesh fencing provides a visual barrier for increased protection. The durable quality of this high-density polyethylene (HDPE) plastic garden fencing 48 inch high ensures it can be rolled up to store for use year after year
