

**PRODUCT NAME:**

4 PCS 25MM X 5M RATCHET STRAP SET

**PRODUCT CODE/S:**

TL451AB

**KEY FEATURES:**

Ratchet tie-downs are commonly used for securing loads on trucks, trailers, roof racks, and in various other transportation scenarios. It's important to follow the manufacturer's guidelines and ensure that the tie-downs are in good condition before each use to ensure proper safety and effectiveness.

Product material: Polyester  
Featured Optimization: Non-scratch  
S hook Subtype: Adjustable luggage strap  
Color: Yellow

S-shaped vinyl coated hooks at both ends to prevent scratches.  
Dimensions: 5 m x 25 mm wide.  
The adjustable length is from 0.3 to 5.0 meters.

Easy one-button, quick release of the two jaws ensures that the load remains locked and maintains tension during transport.
