

PRODUCT NAME:

KEMPER TORCH / GAS KIT - LOCK TWIST TYPE

PRODUCT CODE/S:

GT31057KIT

OVERVIEW

THE SAFELINE KEMPER TORCH/GAS KIT GT31057KIT IS A COMPREHENSIVE SET DESIGNED FOR VARIOUS HEATING APPLICATIONS, COMBINING THE RELIABLE PERFORMANCE OF THE KEMPER 1059 GAS TORCH WITH THE CONVENIENCE OF AN INCLUDED GAS CARTRIDGE.

DETAILS:

Key Features:

- **Kemper 1059 Gas Torch:** Ideal for brazing, heating, paint removal, and igniting barbecues or fireplaces.
- **Lock Twist Mechanism:** Ensures a secure connection between the torch and the gas cartridge, enhancing safety during use.
- **Piezo Electric Ignition:** Allows for quick and easy ignition without the need for external lighters or matches.
- **Included Gas Cartridge:** Comes with a 220g butane/propane gas cartridge, providing immediate usability upon purchase.

Application Area

1. **Culinary Arts** – Used in baking, grilling, and caramelizing.
2. **DIY and Home Repairs** – Ideal for light soldering and heat-shrinking tasks.
3. **Camping & Outdoor Activities** – Convenient for cooking and starting fires.
4. **Jewelry Making & Crafting** – Used for precision heating in delicate work.

DIRECTIONS FOR USE

1. **Caramelizing Desserts:** Perfect for caramelizing sweets like Catalan cream and crème brûlée, providing a crisp, sugary crust.
2. **Browning Meats:** Ideal for adding a finishing touch to meats, giving them a desirable browned appearance and enhanced flavor.
3. **Toasting Seeds and Nuts:** Suitable for toasting pumpkin seeds and similar items, bringing out their natural flavors.
