SELLING POINTS

1. Made of CRV chrome vanadium steel, more wear-resistant and harder. 2. The chisel handle is integrated and tightly linked, not easy to fall off or break. 3. The blade is polished, sharp and not curled. 4. The steel rivet tail nail can withstand strong and continuous knocking. 5. The three-color handle is ergonomically designed, comfortable to hold, non-slip and durable. 6. The blade is thickened, strong and durable, with a long service life and long-lasting impact resistance.
