Drop forged

SELLING POINTS

1. This product uses 45# high carbon steel forged hammer head, double-headed hammer face, larger use area. 2. The surface is sprayed with plastic, plus a transparent anti-rust coating, more durable. 3. The hammer handle uses a durable and safe rubber-coated glass fiber handle, which is shockproof, comfortable and not easy to slip. The three-color design is beautiful and generous; 4. High-quality epoxy resin glue is used at the connection, the hammer head is
