

## DESCRIPTION & FEATURES

Flat wood file  
Length:200mm  
Material: carbon steel  
Each one with plastic hanger  
Packed by poly bag

## SELLING POINTS

1. The iron parts are made of high-quality carbon steel, with overall heat treatment, high hardness and long life. 2. The ergonomic non-slip handle provides excellent control when filing. 3. The layer teeth are fine, more convenient to use, and can easily remove or sharpen materials.
